AMBER FLUID FLOWS IN ROOF GARDEN

BISHOP POTTER'S NEW DRINKING ESTABLISHMENT A PLACE WHERE ALL BRANDS OF THIRST ARE QUENCHED.

West Sixty-sixth street, New York, which opened what promises to be

a successful season last week.

To be sure, there was a select portion of the garden set apart to the especial use of patrons who only want the music and a little dash of top-story air on the side. But the average summer night amusement seeker in New York is by no means satisfied with such mild intoxicants as music and fresh air. He will take them willingly enough as part of the menu, but as for the rest, he wants something that is intended immediately to drive dull care away. He does not believe a "roof" is a "roof" unless there are plenty of tables strewn about with white-aproned fellows dashing here and there bearing tray loads of amber and other fluid.

So, though at the inception of the enterprise, there was quite a percentage of the sponsors that thought only soft drinks would be sold, the Subway Tavern idea worn out, and the St. Nicholas is just about as frivolous as any roof in town, except that there are no vaudeville attractions.

For they allow beer in Bishop Potter's summer garden—beer, and if you really need it, and let your wants be properly known, fizzes or rickys or "bails," or any of the thousand and one variations known to boozology.

There are two other clergymen besides Bishop Potter on the board, which is also graced by a long roster of eminently respectable knickerbocker names—Boddy, Mills, Low, Sheldon, Sloane, Speyer and others, all loaned to help out the new amusement place.

And it is delightful. The palms and flowers and shrubbery and myriad lights remind one of the beer places of the European capitals, while the music is beyond compare with that served at rival "roofs" and good cheer is just as enlivening.

Three Good and Just Reasons. There are three reasons why mothers prefer One Minute Cough Cure: First, it is absolutely harmless; Second, it tastes good—children love it; Third, it cures Coughs, Croup and Whooping Cough when other remedies fail. Sold by all druggists.

Rev. George H. Brewer, superintendent of missions of the territories of New Mexico and Arizona, spent Tuesday and Wednesday in Clayton and preached Tuesday night at the First Baptist church of Clayton. He reports a great growth of the work in this territory, where as five years ago there were twenty churches and today there are forty-eight.—Clayton Enterprise.

Buy It Now. Now is the time to buy Chamberlain's Cough, Cholera and Diarrhoea Remedy. It is certain to be needed sooner or later and when that time comes you will need it badly—you will need it quickly. Buy it now. It may save life. For sale by all dealers.

Tuesday night some miscreant cut a pane of glass from a window in the Arcade saloon building, entered and took about \$2.00 from the cash register and a bottle of whiskey, says the Aztec Index. The half-filled bottle was found in a buggy left in front of Austin and Dunning's blacksmith shop by James Fox early Wednesday morning. Mr. Fox returned the bottle and the cork. No clue to the burglar. The door lock of the Aztec drug store was also tampered with Tuesday night but no entrance secured.

Forced to Starve. B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful sometimes that I could not eat. After vainly trying everything else, I cured it with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At all druggists; only 25c.

Attorney John H. Stingle left this morning for Chicago, called there by the death of Mrs. Stingle's father, Charles Schnoor. Mrs. Stingle was unable to go to Chicago to attend the funeral on account of being confined to her home by sickness.

Miss Lena Price, of Socorro, arrived this morning from the south, accompanied by Bertie Price Stern, son of Mr. and Mrs. Leon B. Stern. Miss Price will visit friends in this city for a few days.

John Pfeuger, postmaster and general merchant at Lamy, was among the visitors to the city yesterday. He returned home this morning on No. 2.

EIGHTY POUNDS OF BUTTER EVERY DAY

The Roswell creamery is now putting out eighty pounds of butter every day, and finds a ready market for every pound, says the Record. The amount will be increased as the supply of cream grows. The butter produced by the creamery is of fine quality, but Manager Hobson states that the quality will be even better. He states that some of the cream has been sour when brought in by the farmers and that this prevented the butter maker from putting it through the right process. When all of the farmers bring in their cream while it is still sweet, the result will be a great improvement.

THE AUTO LINE A SUCCESS

TRAVEL TO TORRANCE IS MADE PLEASANT, AND TIME OF TRIP IS BEING CUT OFF EVERY DAY.

The automobile line to Torrance, which has probably given Roswell more free advertising than any of the Roswell enterprises, is daily demonstrating the faith of its promoters in the feasibility of making this new railroad connection.

Since the completion of the new auto road, about thirty days ago, the two machines of the company have been making regular trips to Torrance and return, leaving Roswell every Monday and Thursday, and returning every Tuesday and Friday.

The time consumed in making the trip is being gradually reduced. At

first the average time for making the run, including all stops, was twelve hours, but for the past ten days the run has been made on an average of eight hours, including stops for lunch, etc.

During the entire operation of the line, there has been but one accident that caused delay to the passengers, who were at once taken care of by the relay machine.

The company, with the limited means at its disposal, is demonstrating the claims of its manager, J. W. Stockard, whose faith in the enterprise overcame all obstacles.—Roswell Register.

A Surprise Party. A pleasant surprise party may be given to your stomach and liver by taking a medicine which will relieve their pain and discomfort, viz: Dr. King's New Life Pills. They are a most wonderful remedy, affording a sure relief and cure for headache, dizziness and constipation. 25c at all druggists.

L. G. Wilson, of Plainview, Texas, who has been at Roswell looking after business and closing out property, left on a trip to San Carlos and Yuma, Ariz. While at Roswell he sold his five-acre orchard in the east edge of town to J. P. Crawford, of Canyon City, Texas. The five acres sold for \$2,000.

The Diamond Cure. The latest news from Paris is that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee, of Vanleer, Tenn. I had a cough for fourteen years. Nothing helped me until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief and effected a permanent cure. Unequalled quick cure for Croup and Lung Troubles. At all druggists. Price 50c and \$1.00 guaranteed. Trial bottle free.

A. J. Sewell killed a big lobo wolf near his ranch at Cloudercroft. He had four colts killed before he finally got him. A colt was found late one evening, which had just been killed by the beast. Poison was put out and the next morning Mr. Wolf was found nearby. It weighed 150 pounds. It is said that wolves are numerous near Cloudercroft and in some sections they are about to take the country. They kill grown horses as well as colts and a man was attacked not long since in James canyon by one of them.

A Dash of Fruit Juice on Grape-Nuts Makes a Fetching Dish Try It.
